

# Interprofessional Collaboration Award

## Award Description

This award recognizes an allied health professional or physician who has significantly supported physiotherapy practice, collaboration, patient care, or public awareness of physiotherapy in Alberta.

## Eligibility & Criteria

Nominees must:

- Be non-physiotherapists.
- Demonstrate strong collaboration with physiotherapists.
- Contribute to improved patient outcomes, interprofessional practice, or advancement of physiotherapy.
- Support the values, goals, and mission of AAP.

## Nomination Details

- Nominee name, profession, and contact information.
- Description of contributions to physiotherapy practice or collaboration (500 words).
- Examples of impact on patient care, education, advocacy, or research (300–500 words).
- Relationship to physiotherapy community.
- Optional supporting documents: letters, program summaries, partnership examples.
